A Message From Our President

We are deeply grateful for each of you. As Utah's nonprofit community — volunteers, fundraisers, donors, and advocates — you continue to rise to meet the evolving needs of those you serve, and your impact is felt across our entire state.

Scholarship Impact

"I've gathered some valuable ideas, tips, and tricks that will help me improve my fundraising skills starting with DAF's! The Ability Inclusion Services enriches the lives of people with disabilities by actively providing community opportunities for independence for individual growth and with your help we will continue to better the lives of people with disabilities."

- Karina McLellan, AFP Conference Scholarship Recipient

"As someone who has only been a professional fundraiser for a year, the insights I gained were priceless. Clay Buck's emphasis on extending invitations and offers rather than making asks, and Cameron Cole & Allison Foster's session on accessing, interacting, and fundraising from DAFs, have fundamentally changed how I approach my work. I walked away with a renewed sense of confidence and energy, ready to excel in my role."

- Brooke Jorgensen, AFP Conference Scholarship Recipient

"I wanted to extend my heartfelt thanks for sponsoring the AFP Fundamentals conference and providing the scholarship that allowed me to attend. This was my first AFP Fundamentals conference, and I was absolutely blown away by the entire experience. The day was filled with inspiring speakers, invaluable content, and perfect intervals of presentations and breaks. The AFP committee members were lovely, and the participants made networking a warm, welcoming, and supportive experience."

"I am new to the fundraising world and this conference gave me a lot of valuable information that I am excited to put into practice for our growing foundation. I was particularly interested in the information on DAFs, which I was completely unaware of. I found the information on the different generations of donors and the different ways in which they act very interesting. It gave me a lot of ideas of how to reach a younger generation of donors than those who we usually work with."

- Jason Merrill, Conference Scholarship Recipient

"On behalf of the staff and board of directors of the Ability Inclusion Services, thank you for your scholarship donation! I was excited to receive this and would not have been able to attend the conference without it! I thoroughly enjoyed the conference and found all the speakers engaging. My favorites were the keynote speaker, the Donor Perspective session, and the Unlocking Generosity talk."

Utah Philanthropy Day

Utah's Flagship Celebration of Philanthropy & Volunteerism

Each November since 1999, the Association of Fundraising Professionals Utah Chapter (formerly Utah Society of Fund Raisers), Utah Nonprofits Association, and UServeUtah have celebrated Utah's outstanding philanthropists and volunteer leaders at the annual Philanthropy Day Luncheon.

Eight prestigious awards along with the Heart & Hands Award honor the various components of the critical nexus between visionary, supportive philanthropy and thriving, creative nonprofit organizations that respond to community concerns and the need for change.

The 2024 Utah Philanthropy Day celebration was held at the Grand America on November 7, 2024. **Utah Philanthropy Day is critical revenue** to support AFP Utah's programming and educational support for fundraising professionals across the state.
